Faculty/Staff

During our four years, the Class of 1998 has been fortunate to have had many wonderful teachers, administrators, and staff members. They have been there for us both in and out of the classroom. As we leave Chelsea High School we feel well prepared for whatever challenges lie ahead.

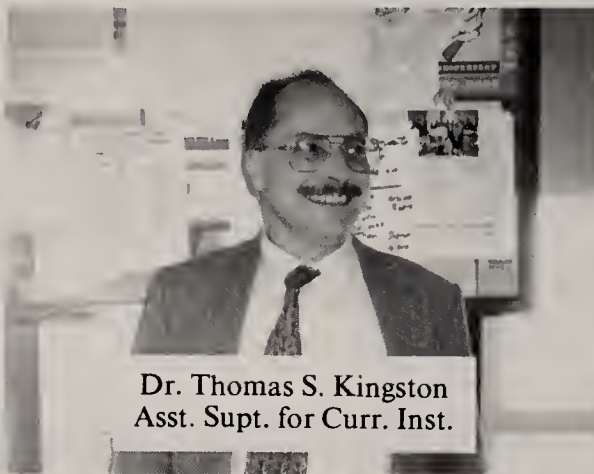

The Class of 1998 would like to especially thank Mr. William Parker and Mrs. Amy Pike for being our advisors. They have always been available whenever we needed them. They have supported us and advised us. For their care and dedication, we are deeply grateful.

To all the administrators, faculty, and staff, thanks for preparing us for the 21st century. You have been truly unforgettable.

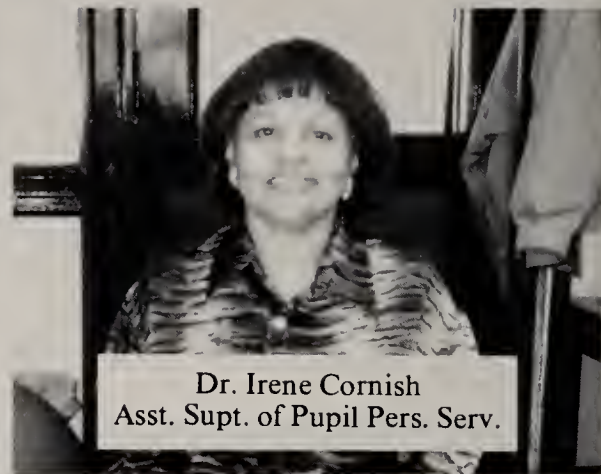

Administration

Dr. Doug Sears
Superintendent

Dr. Thomas S. Kingston
Asst. Supt. for Curr. Inst.

Dr. Irene Cornish
Asst. Supt. of Pupil Pers. Serv.

In the last two years I have been fortunate to come to know a number of Chelsea High School's students. I have welcomed this opportunity and greatly value what I have learned from you.

I have learned—at least in some measure—of your hopes and aspirations as well as of your disappointments, frustrations, and, sometimes, sorrows. The knowledge of your hopes and aspirations has been, for me, a continuing source of sustenance. My understanding that you wish fervently to live fulfilling, purposeful lives has helped to sustain my energy and commitment to work to ensure that your successors at Chelsea High School will always be asked to meet the serious academic standards that are the true currency of opportunity.

I have enjoyed your quick wit and your exuberance. I wish you the best in all you do and hope you will choose to live with courage and intelligence, tempering your enthusiasm with healthful doses of prudence.

Douglas Sears

The elation we feel at graduation is appropriate and warranted; the graduate has passed many tests to earn a diploma, to receive an honorable commendation of his or her success. But, receipt of a diploma only marks a point on the long continuum of learning. As members of the Class of 1998 move from the school place to the work place or college classroom, they exchange one kind of learning for another. We believe the CHS Class of 1998 is as well-prepared for work and further learning as any group of graduates in recent memory. As graduates assume the next stage of their career, we wish them good fortune as they embrace future challenges and opportunities.

—Thomas S. Kingston

To the Graduating Class of 1998:

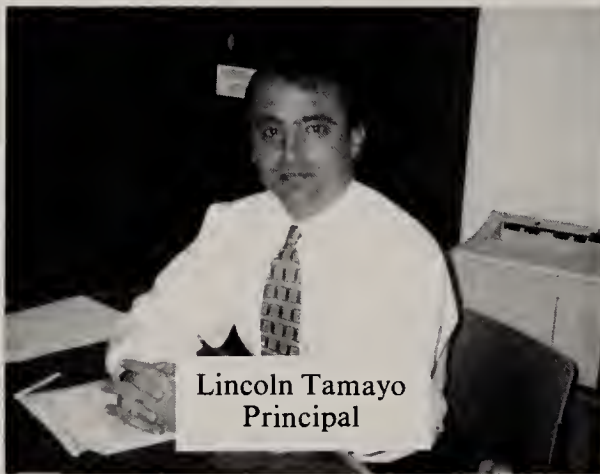

I shall always remember that beautiful picture of Superintendent, Douglas A. Sears, holding his umbrella at your graduation to shield one of your classmates from the rain on that day.

We have tried to be surrogate parents to you—to shield you and protect you while striving to provide you with the intellectual and moral tools which will sustain you in the future. I hope we have succeeded.

Congratulations.

We wish you the very best.

Sincerely,
Irene Cornish

It has been an honor serving you in my first year as principal. I wish all of you continued achievement, much joy, and fortitude in overcoming obstacles. Remember what you have learned and accomplished here.

Lincoln Tamayo

Whether you are going on to higher education or the working world, please take the knowledge that was given to you while at CHS and your dreams will come true. I really enjoyed the way each and every one of you handled yourself during your graduation exercises; you were a perfect "10".

Activities

At Chelsea High School, there are many activities which provide an entertaining and interesting environment for students. For example, many dances were held throughout the year. Exciting Lip Sync and Talent Shows were held. Seniors also participated in an enjoyable Senior Night-Out. In all activities, students are able to enjoy each other's company and bond with new and old friends.

THINGS THAT GO

Once again, Chelsea High School corridors were frequented by ghosts, goblins, cows, devils, clowns, and other bizarre creatures. No, it was not an invasion by unwanted outsiders. It was the annual Senior Halloween Dress Up Day.

Following a fun-filled day of haunting classrooms, seniors moved their festivities to the cafeteria for an enjoyable ice cream party and best costume contest. First place winner was Melissa Valentin with her half man-half woman costume. Second place went to Mildred Martinez as the evil nurse. Third place went to Wilfredo Santana for his *utterly* delightful cow costume.

A bewitching good time was had by all.

BUMP IN THE NIGHT

A GHOULISHLY GOOD TIME

LIP SYNC CONTEST

Unforgettable (And Forgettable) Acts

The stage is alive with music. "Respect!" "Thriller!" "Beat It!" No, Aretha Franklin and Michael Jackson are not performing. It's the annual Chelsea High School Lip Sync Contest. Many talented students and teachers entertained the audience with some outstanding performances. The choreography was terrific! Although all the acts were great, two in particular stood out. First prize for the evening went to "Betty & The Thrillers" for their rendition of "Thriller." Second place honors went to the "Senior Fantasies" for their "70's Mix." An unforgettable time was had by all.

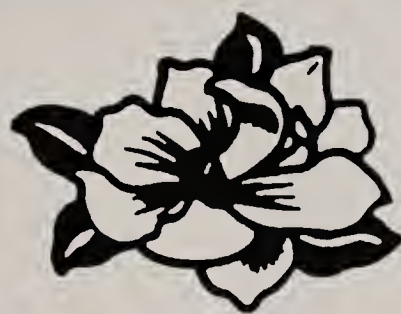

VALENTINE'S DAY DANCE

There was a delightful feeling of love and togetherness in the air as the Senior Class sponsored a truly successful Valentine's Day Dance. Some came as couples and some came in groups, but all demonstrated the spirit and togetherness of the Class of '98. The music was lively, the dancing splendid, and a wonderful time was had by all in attendance. The event was just another *unforgettable* moment for this *unforgettable* class.

A FEELING OF LOVE IN THE AIR

SCIENCE FAIR

As usual, the students at Chelsea High School displayed great intelligence, creativity, and scientific knowledge in the annual Science Fair held in early March. Judging the projects was both fascinating, but difficult, as there were so many outstanding entries. After careful consideration, the judges pronounced the following winners:

First Place: "Melting Ice" by Ramon Ruiz

First Place: "Consonance and Resonance" by Mead Music

Second Place: "Lipstick" by Angelica Rodriguez

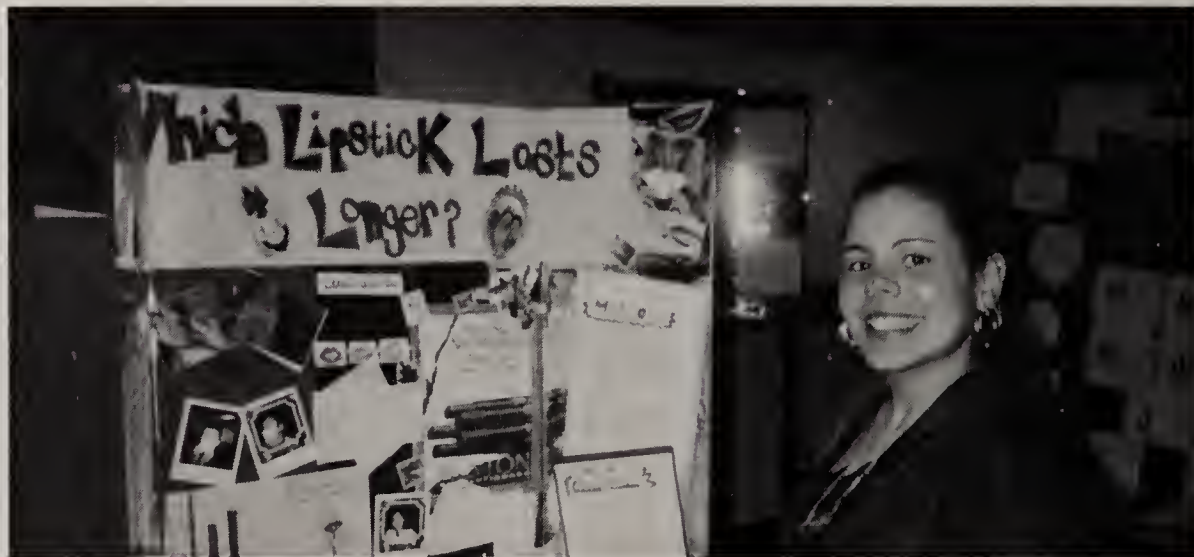

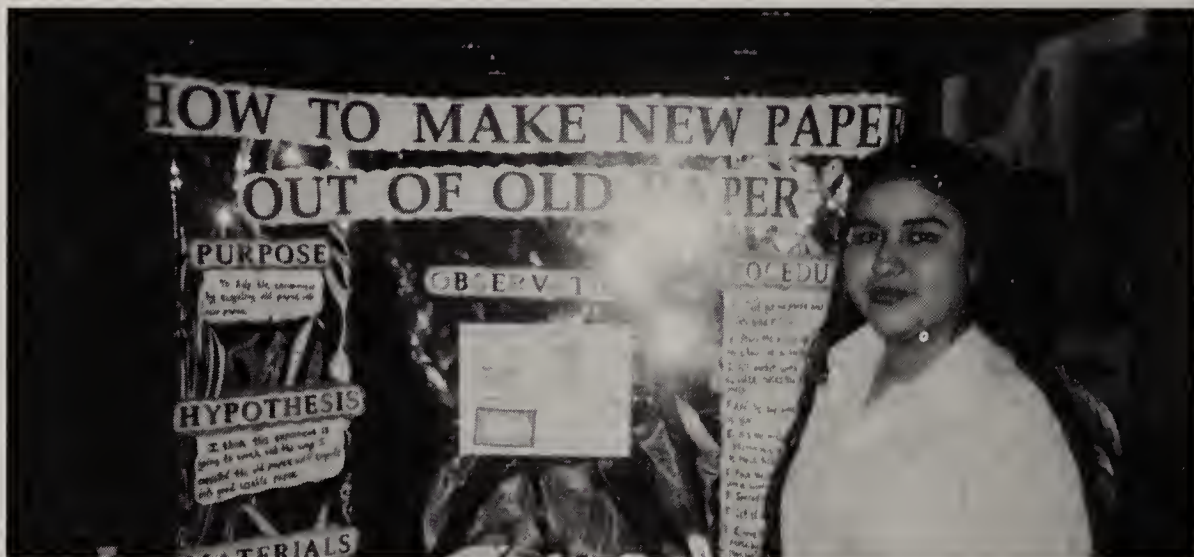

Second Place: "White Noise" by Ricky Poon

Third Place: "Taste Threshold" by Guerdy Toby

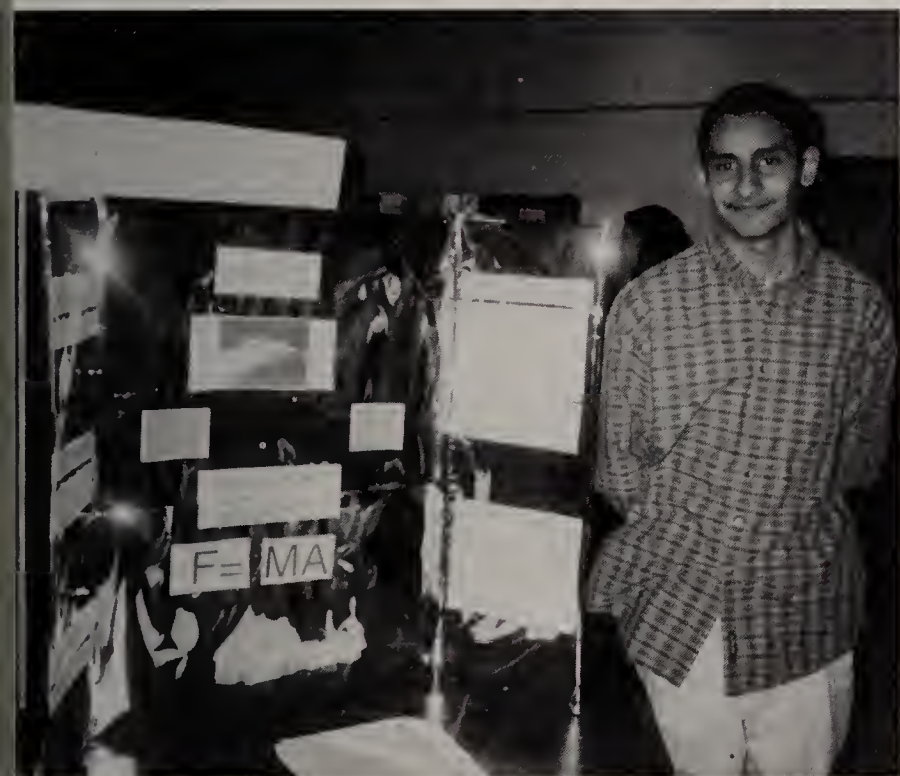

Third Place: "Piezoelectric Effect" by Arasay Chaviano

Forth Place: "Chemical Radio" by Henry Lopez

Forth Place: "Magical Music" by Susanne Zazula

TRULY ENLIGHTENING

The Class of 1998 is known for its outgoing and fun-spirited nature. Living up to their reputation, they held a "Senior Night-Out." Seniors went to Town Line Inn in Malden and enjoyed a fun-filled evening while playing pool, arcades or just chilling out. Afterwards, they headed down to Prince Restaurant on Route 1 where they enjoyed pizza, drinks and reminisced on their unforgettable 4 years at Chelsea High School.

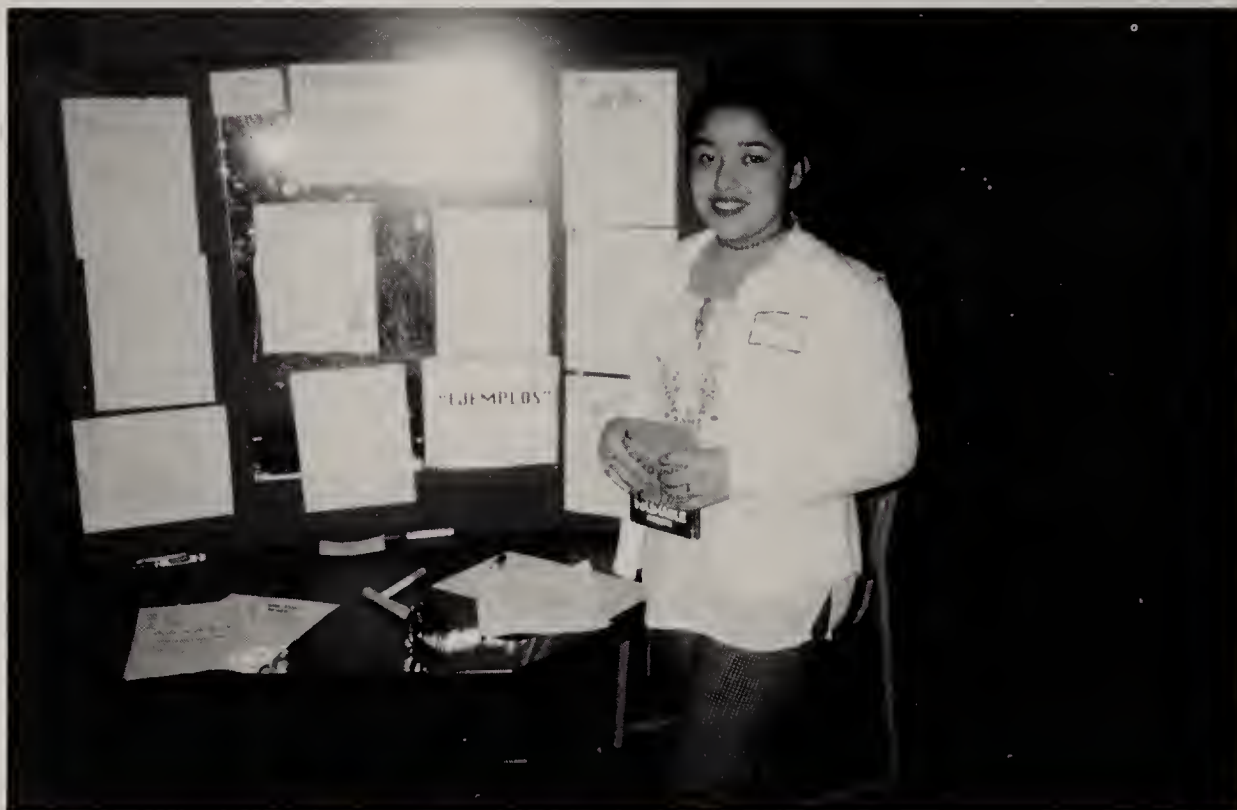

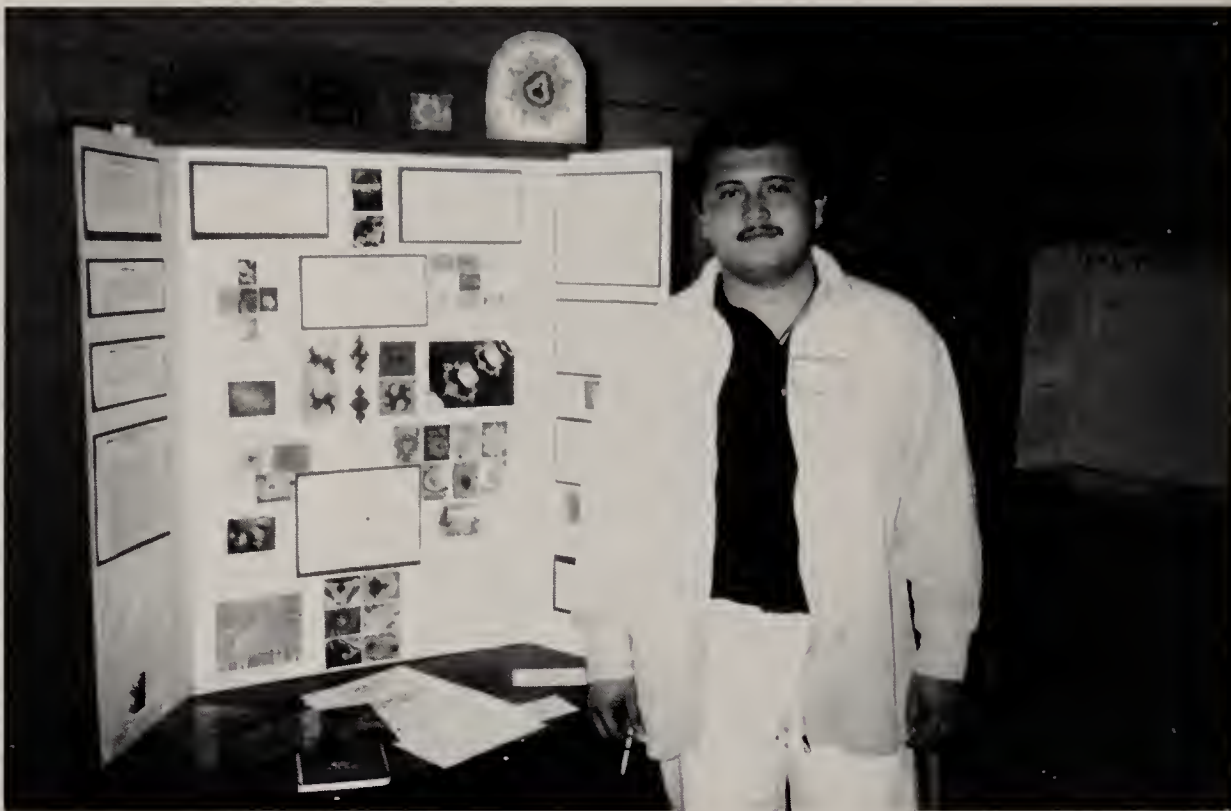

NIGHT OUT

MATH FAIR

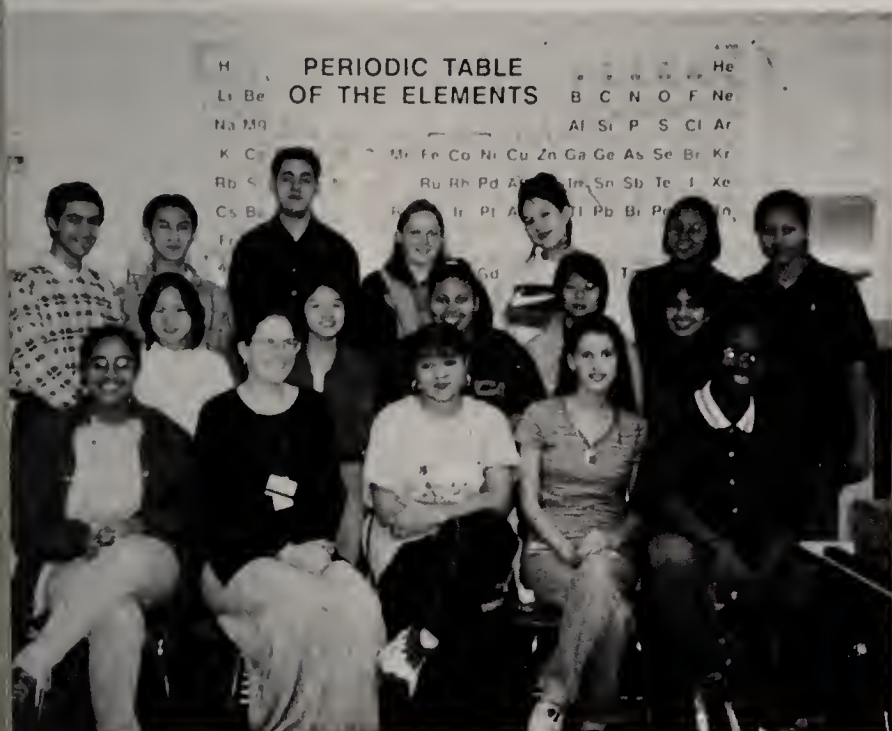

C.H.S. mathematicians participated in an entertaining and informative Math Fair. Students researched, assembled, and displayed many interesting and educational projects. It was a rewarding experience for all participants and for all who got a chance to view these terrific projects.

Organizations

IN EVERY WAY

When students need a change from their daily routines, Chelsea High provides many opportunities to accommodate this need. Students may take part in one or more of the many clubs and organizations offered to them. These clubs give students a chance to meet new people, to socialize, to learn, to discuss issues, to write, to design, to help out in the community, to grow, to have fun. For students who participate in these clubs, their education has been enriched. For those who choose not to, they have missed out on a wonderful experience.

NATIONAL HONOR SOCIETY

Scholarship
Service
Leadership
Character

Membership in the National Honor Society is based on the standards of Scholarship, Service, Leadership, and Character. The Chelsea High School Chapter of the National Honor Society is composed of a select group of juniors and seniors who have met the aforementioned standards. Students must maintain a B average in their school work as well as be active in community service, school clubs and activities, and school leadership positions.

Members participated in several community projects this year. Students served meals to senior citizens at the annual Christmas-Chanukah Dinner. They participated in three blood drives and a tutoring program. Students also raised scholarship money. Members are a credit to their families, their school, their community and themselves.

YEARBOOK STAFF

If you are reading this article, thank a yearbook staff member! Without the efforts of a dedicated group of people, the yearbook would not exist. Staff members worked daily on designing layouts, composing and typing copies, labeling and cropping photos, and working on all the numerous tasks needed to create a yearbook. The staff included a great bunch of hardworking, devoted seniors who are to be commended for their countless hours of work and the effort they gave. They did their best to provide us with an unforgettable yearbook that will hold our memories for a lifetime.

CHEMISTRY CLUB

As a supplement to the Advanced Placement Chemistry class, once a week AP students met after school to further advance their knowledge in the field of chemistry. Although the learning was intense, students attending the sessions enjoyed the pleasure of each others' company as well as that of their instructor Dr. Sevian. An enjoyable and constructive time was had by all participants.

ASIAN CLUB

The Asian Diversity Club, as its name suggests, is made up of members representing a variety of Asian nations and cultures. The Club, however, is not limited to only Asian students. Anyone wishing to meet many wonderful people is welcomed to participate.

Weekly meetings provide an opportunity for members to mingle and share experiences. In addition, members plan social events to celebrate Asian holidays. A wonderful festivity took place to celebrate the Chinese/Vietnamese New Year. Another was held in to celebrate the Cambodian New Year.

Come share the Asian experience. New members are always welcome.

SCIENCE CLUB

Examining pond life, measuring the diffraction of light and identifying household chemicals are just some of the challenges the Chelsea Science Team has taken on as part of the North Shore Science League. Each month the team competes against other high schools in physics, chemistry, and biology. Members meet frequently to prepare for the competitions. Members have represented C.H.S. well, as they have performed in an exemplary manner. Students are given an opportunity to learn much about the fascinating world of science.

MASS PEP

Mass Pep is a program sponsored by Wentworth Institute of Technology and the Mass Society of Engineers. The program is designed for students who have a strong interest in math, science, and engineering. Students meet on a weekly basis to participate in science and engineering activities. Students also have the opportunity to attend field trips to various science and engineering facilities. In addition, members participate in programs conducted by local universities. They may take part in Harvard-Lowell Extension Program, the B.U. Blast Program, and the Northeastern Pre-Calculus Program.

The Drama Club produced two plays this year. In January we did "Juvie" written by Jerome McDonough and in May we did "The Invisible Man" written by Eddie Cope. "Juvie" was a play that described the individual lives of high school inmates at a juvenile house of detention. "The Invisible Man" was a play about comedy, mystery and murder all rolled into one. Michelle Comeau was student director for both plays and she also won the Senior Drama Award. Mr. John Nichols was our faculty director. The most fun was finding costumes and props which helped us create our characters. As Shakespeare said, "All's well that ends well" and drama club ended quite well!!

GIVE ME A C!

CHEERLEADERS

Both the CHS football and the basketball teams had great seasons this year. While much credit must be given to the players and coaches, some credit should also be given to the dedicated group of young ladies who cheered the teams on game after game. The squad members practiced hard and practiced often to master their routines and stunts. Their performances and their enthusiasm were a pleasure to watch. A great job was performed by a dedicated and spirited group of young ladies.

The 1997-98 athletic season had many highlights. The most impressive highlights were the successes of the soccer team and the girls basketball team. Both squads won Commonwealth Conference Championships with incredible seasons. Other squads, while not winning championships, gained valuable experience for the next season.

Whether winning titles or gaining experience, all Chelsea's athletes displayed pride and determination in representing their school.

In addition to the boys track team, a girls track team also competed this year. Although not officially entered into the conference, the girls competed against other Commonwealth Conference teams. As in the case of the boys, the girls competed hard and showed a great deal of heart.

The cross-country team prepares for the daily mile run.

Like the course they run over, the Cross Country team's season was filled with peaks and valleys. The squad got off to a great start with victories over Greater Lawrence and Lynn Tech. The squad then competed against upper division schools and, although their efforts did not always result in victory, the runners were always strongly competitive. The team did quite well in it's own division, finishing 2-1. With a strong group of underclassmen on the squad, the team looks forward to much future success.

The 1997-98 football season may not have been a success in terms of wins and losses, but it was a success in others ways. Throughout the season, the team never gave up, battling strongly in every game. Led by it's captains and coaches, the team never lost it's spirit. Another positive from this season was the fact that the underclassmen received a lot of playing time. This experience can only be a plus for next season as the squad looks forward to a successful future.

What a season! The 1997-98 soccer squad had an incredible year going through the entire schedule without a loss. The goaltending and defense were superb as the team only gave up three goals the entire season. While the defense was doing its job, the offense was averaging close to 4 goals a game. The undefeated season led to another Conference Championship as well as a spot in post-season tournament play. Congratulations on a fabulous season.

Although the basketball squad was going through a rebuilding year, the team still provided its fans with many exciting moments. The team played excellent ball in each of its seven victories. Even in defeat, players provided excitement, with some heartbreaking losses. Although the record may not indicate it, the season was a success as many underclassmen got a lot of playing time. This playing time will pay dividends as the team looks forward to next season.

Shown with Coach Lush are co-captains Arnold Sevilla, Frank Mota and senior Shawn O'Regan.

Senior Shawn O'Regan warms up before the game.

The baseball team had what might be termed a bittersweet season. In terms of wins and losses, the season might be looked upon as bitter. In terms of rebuilding and gaining valuable experience, however, the season was quite sweet. The team was comprised of many underclassmen who received a lot of valuable playing time. This valuable playing time can only help in the future. Much credit needs to be given to seniors Arnold Sevilla, Frank Mota, and Shawn O'Regan for keeping the team focused during this rebuilding process.

Senior Co-captain, Laura Guevara, poses with Coach Kowalski.

The squad takes a pre-game lap.

The CHS softball team had a moderately successful season. Although the squad finished with a 7-10 record, the team was competitive in all its games, losing several closely contested contests. Co-captains Laura Guevara and Yamilka Mota kept the girls' spirits up and led by example, showing tremendous hustle and determination at all times. The young squad, with only one senior, looks forward to much success in the future.

MESSAGES

To the Class of '98:

¡Felicitaciones! Bona Fortuna! Felicitation!

-Marilyn E. Glover

To the Class of 1998: Congratulations!! The past four years have come and gone incredibly fast. We are both very proud of your accomplishments and hope you continue to have high aspirations. You are our future. Set your goals high and always remember where you come from. Good luck. Life is what you make it

-Ms. Livote and Ms. Foster

Reynaldo LaPorte:

Felicidades-Te quiero mucho!

-Mamá Ana

Dear Amarita,

Your grandparents wish you the very best. Good luck in the future. Estrella, Jose, Roberto (Miguel father). Amarita, your uncle Tono y Blance wish you that your dreams come true. Good luck to the "Cuban Girl".

Jason Hightower:

If it had not been for the movie Jason and the Argonauts, your name may have been Worthington, but luckily we saw the movie the same day you were born and that's how you got your name. I'm so proud of you my number one son. I love you.

-Love, Mom

Mildred Martinez:

Dearest Daughter: Everyday we told you that we love you. Everyday we thank God for giving us the fortune of having you, watching grow up has brought us joy and happiness. We are very proud of you. We know you'll succeed in whatever you accomplish. You are a special, wonderful daughter and a beautiful sister. Today, your graduation day, we told you again "We love you. Congratulations." Keep on-keeping on. God Bless you today, tomorrow and always. Boston University, Yessssssss!!!!

-Dad, Armando, Mom, Carmen, Omar, Juny

James Roache:

Congratulations!! We love you and we're very proud for all you have accomplished. Good luck in the future.

-Mom, Tom & Alyssa

Henry Lopez:

Congratulations on this great achievement. This is another step in your life. Keep up the hard work! I wish you the best and may God bless you, Henry Lopez.

-Juana Santizo

Dawlin N. Rodriguez,

All your dreams have come true. We are so proud of you. Congratulations.

-Love, Mani

Gina (Grover) Arzola:

We are incredibly proud of all you have accomplished and we know that anything you put your mind to will be a success. We love you and will always be there for you. May God always bless you, Hector and Mayah and keep you all safe.

-Love, Mom and Dad

Chelsea Cofer:

Congratulations to Ms. Cofer! Now you must go on to the stage of life. It's not going to be easy, but I'm quite sure you can handle it. When looking for reasons to succeed, don't try to succeed for money, Ego or other foolish assets. When you need a reason just look your mother in her eyes! She gave everything to take you this far. Do it for her, and when in doubt, trust in the Lord! Congrats! -RJW

Congratulations Chels, love ya and wish you the BEST!!

-your sisters, Shana & Alissa

Congratulations Chelsea Leigh, keep it up.

-Love your DAD.

Congratulations and best of luck.
-Auntie Lee-KO & Uncle Mike

Che-lee, You go girl!!!!

He Only Takes The Best

God saw he was getting tired,
and a cure was not to be.
So he put his arms around him
and whispered "come with me".

With tear filled eyes we watched him
suffer and fade away
Although we loved him deeply,
We could not make him stay.

A golden heart stopped beating,
hard working hands put to rest.
God broke our hearts to prove to us,
He only takes the best.
